

To Whom it may concern.

Good afternoon,

We are happy to announce that we have decided to change our official / statutory name from "Sustainable Planet Holdings Ltd" to "**Positive Planet Eco Technology Ltd**", with immediate effect to re-align our corporate name with our much more familiar trading name of Positive Planet, we hope you like it!

We will keep you updated and share with you any other changes that come from this change of our formal name, but please be reassured that all email addresses and contact details will remain unaffected by these changes as our domain will continue to be @positiveplanet.uk

In addition, we are pleased to announce that we have changed our bank account details from Monzo Bank to Revolut Bank and the new details are shown below.

Bank Name:	Revolut Bank Ltd
Bank Address:	7 Westferry Circus, London, E14 4HD.
Sort code:	04-29-09
Account No:	8587 7018

Please can you update all your financial and operational systems to reflect both these changes

Many thanks and please let us know if you have any questions in relation to this change.

Kind Regards

Stephen Henry - Founder and CEO
